

Update to *Rare Birds of California*

1 January 2004 – 20 April 2016

Edited by Jim Tietz & Guy McCaskie

This table updates the records listed in the species accounts published in *Rare Birds of California*. It follows the format described on pages 42-43 of that book. This table will be updated periodically as new decisions are reached by the California Bird Records Committee (CBRC).

Rare Birds of California includes all records through 31 December 2003.

Please report errors or omissions in this list to: update@californiabirds.org

BLACK-BELLIED WHISTLING-DUCK *Dendrocygna autumnalis*

Accepted: **33** (80%)

Not accepted: 8

Not submitted/reviewed: 8

Black-bellied Whistling-Duck – Accepted
